Written Stage Briefing:

Stage 2 – "Your move creep" - is a 33 round, 165 point, Comstock Course. There are 11 cardboard targets. The best 3 hits per target will be scored.

Starting with Both feet on XXs facing up range. Gun is unloaded and placed unpropped on barrel with muzzle point at the rear berm.

Facing uprange (start position only) Face and feet pointing directly (180 degrees) away from the backstop with shoulders and hips square to the backstop. A natural, "toes out" stance is acceptable and meets the standard of feet pointing directly away from the backstop, as long as both feet do not point in the same direction, and the rest of the position requirements are satisfied.

On the audible start signal, engage targets from within the shooting area.
